SAN DIEGO REGIONAL
WATER QUALITY
CONTROL BOARD
2002 MAR 28 P 2:02

Dear Mr. Odermatt:

Subject: Tentative Resolution No. R9-2002-0069; File:06-404.02

City staff have reviewed the Tentative Resolution No. R9-2002-0069 forwarded as an enclosure to a letter dated March 8, 2002. There are a few comments and correction on that document we believe should be made prior to the San Diego Regional Board hearing. They are as follows:

Page 2, second paragraph; "WHEREAS, the Removal Action Plan proposed to create a project specific,....". Replace the word 'of' in the second line with the word **following**.

Page 2, fourth paragraph; "WHEREAS, the City of San Diego Local Enforcement Agency....". Substitute the words 'has agreed' with the word **shall**.

Page 3, second paragraph; "WHEREAS, on April 8, 2002 the City of San Diego adopted a Mitigated (*sic*) Negative Declaration....". Insert the word **Mitigated**.

Pursuant to the conditions proposed in the Tentative Resolution, the City is forwarding a revised Figure 1, dated March 20, 2002. This figure indicates more clearly the locations within the project site where waste piles shall be stored during the removal activities. Please substitute Figure 1 dated February 15, 2002 with the figure enclosed.
